

PDAGENT Client user registration (login name & password)

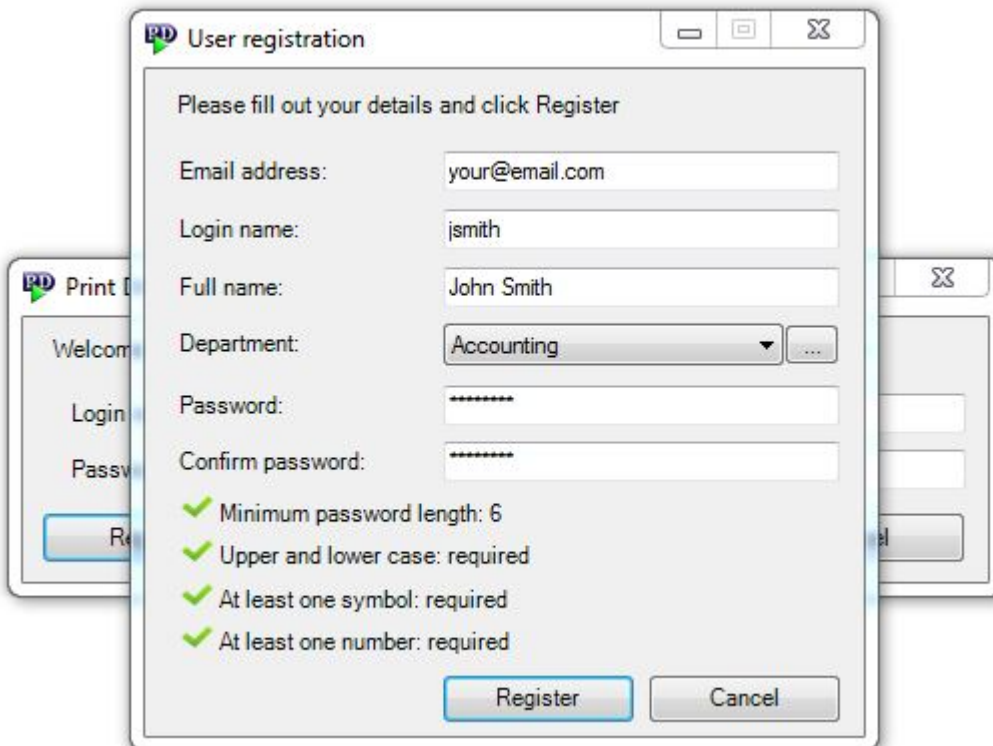

If the **Print Director sign in** window is not already open, right click the PDAgent client icon in the bottom right of your screen (click  to show all system tray icons) and click **Sign in**.

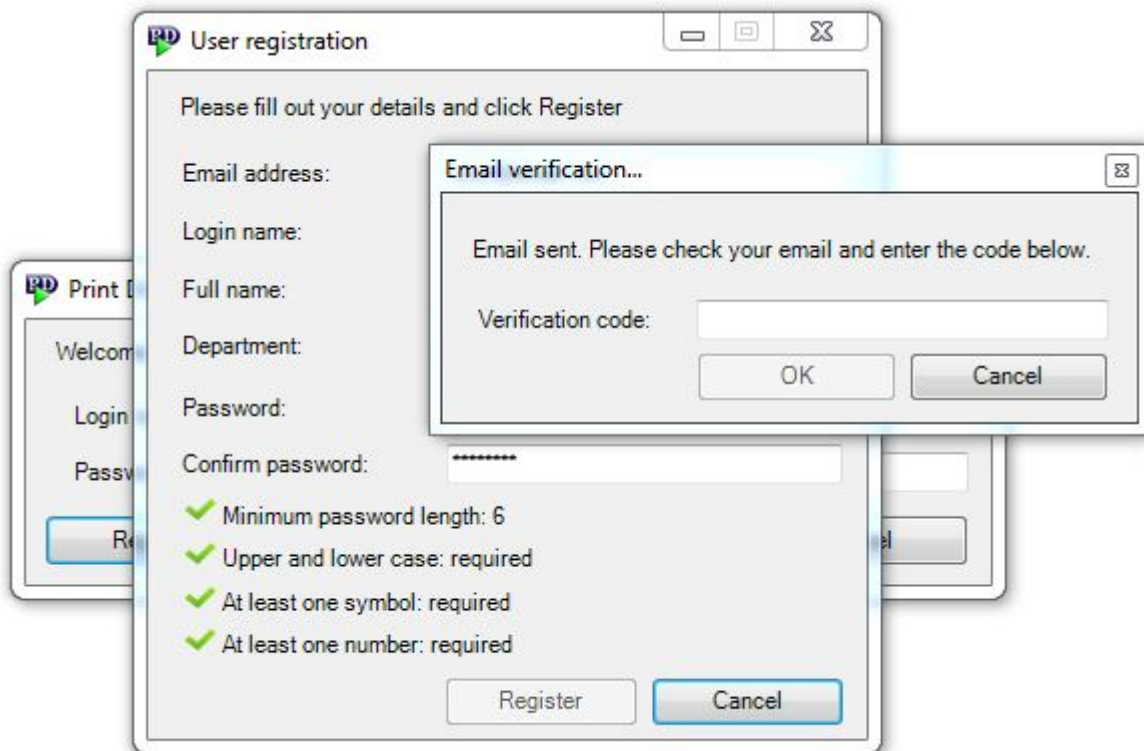

Click the **Register** button.

Fill out all your details and click **Register**. Note: not all fields will be displayed as below. It depends on which fields have been enabled by your administrator. Fill out those that are displayed.

You will be sent a verification code to your email address. Once you receive it, enter it in the **Email verification** window and click **OK**.

Your registration is complete.
